

Appendix 2 - Summary of expenditure on individual candidates (alphabetically)

Key to table:

Column 1

Contains the candidate's name, political party and the constituency in which he/she stood for election. The number of seats for the constituency is in brackets. The statutory spending limits for the constituencies are as follows:

3 seat constituency - €30,150.00

4 seat constituency - €37,650.00

5 seat constituency - €45,200.00

Column 2

Contains details of expenditure incurred by the candidate's election agent.

Column 3

Contains details of expenditure incurred by the party's national agent on the candidate.

Column 4

Contains details of the total expenses incurred on the candidate.

Column 5

Contains details of the expenses incurred on the candidate, the cost of which was originally met out of public funds. In all cases such expenditure was accounted for by the candidates' election agents. No expenditure incurred by the national agent of a political party on a particular candidate was originally met out of public funds.
