Overview Statement

Appropriate Officer

Jeffrey Rudd

Scope of the financial statements.

UnitedPeople, as of August 20th 2022, has yet to open a bank account on behalf of the political party. As such in respect of this and other UnitedPeople ideology factors, we have not nationally or at any local level gathered any finances or sought donations for the UnitedPeople party.

The party does not solicit membership fees at any stage. It does not believe in charging people for possessing political/social/economic ideas and then coming together to seek their inclusion into government policy. The party does not hold functions, draws or practise many data storing methods used regular by long established political parties. We do this part, to make sure not to have a database that could be then open to compromise by hackers or people of questionable character, who might seek to use such information to possible negative political effect including inappropriate character attack, etc. We are very much aware how personal data is being wrongly used as a method by others, to private profit, exploit situations or attempt to undermine rights.

Statement of Appropriate Officer's Responsibilities

I am responsible for preparing the statement of accounts in accordance with applicable laws and regulations. The Electoral Acts and guidelines require me to prepare an annual statement of accounts that gives a true and fair view of the assets, liabilities and financial position of the Party at 7th August 2020 and of its surplus or deficit for the year then ended.

- As there has been no activity of this nature of any kind whatsoever, there is in our case, little or more accurately, nothing to actual report. As you will see by reading of the attached pages, the party does not seek or hold any financial amounts, possesses no party bought/rented assets nor does it engage in any other financial activities as of yet.

Jeffrey Rudd. Founder.

Date: 26th August 2022.
