

***Statement of Accounts 2020***

***UnitedPeople***

## **UnitedPeople**

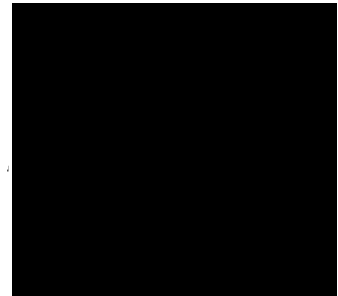

### **Annual Statement of Accounts for year ended 31 December 2020**

#### **Overview Statement**

UnitedPeople for mainly Covid reasons, has been non-operational for the past 12 months. We deliberately decided not to hold any local or national meetings, functions, etc, out of concern for the welfare of the members, supporters and general public. For this reason alone, there is very little or nothing to actually report regarding finances and other related matters what come under the purview of SIPO..

#### ***Appropriate Officer***

Jeffrey Rudd

### ***Scope of the financial statements***

UnitedPeople at this time, has no operational bank account with any banking institution. It has not operated in the collection of any financial funding. It had not been given any financial donation in the last year. When offered them, UnitedPeople has politely declined the acceptance of them from private individuals.

UnitedPeople does not operate a youth wing at present and has not plans for the future to start one.

### **Statement of Appropriate Officer's Responsibilities**

I, Jeff Rudd, accept responsibility for preparing the statement of accounts in accordance with applicable laws and regulations.

The Electoral Acts and guidelines published by the Standards in Public Office Commission require me to prepare an annual statement of accounts that gives a true and fair view of the assets, liabilities and financial position of the Party at 31 December 2020 and of its surplus or deficit for the year then ended.

In preparing the statement of accounts, I am required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- comply with generally applicable accounting practice in Ireland including FRS 102, subject to any material departure being disclosed and explained in the statement of accounts,
- include any additional information required by law or regulation, and
- prepare the statement of accounts on the going concern basis unless it is inappropriate to presume that the Party will continue in operation.

I am also responsible for keeping all proper and usual books of account of the Party that

- disclose at any time, with reasonable accuracy, the financial position of the Party at that time, and
- enable me to ensure that the annual statement of accounts complies with the guidelines.

Hands-on administration of the party, presently what little there is while existing in a Covid-19 accelerated infection period, has been minimum to say the least. If there is any training – none for the period of 2019 to 2020 - this is also done on a non-paid voluntary basis only.
- Regarding communications, they are done by individual members of their own accord right around the country. The costs of such communications are voluntary met by same people though their own personal mobiles charges. They do this in order not to be a further burden upon any island taxpayer or state department. Usage of personal phones, laptop or
